GENERAL CLUB RULES FOR MEMBERS

It is the player's responsibility to check that their card is correct and signed before handing into the Office. Handicaps must be on the card.

Lowest Marker in each group shall be the Group Captain and is responsible for speed of play, observance of rules and etiquette.

On any Competition Day, Members must enter for the Competition and play with opponents as directed by the Member on duty. **Only in four ball and mixed events may players arrange partners. Opponents will be allocated by the member on duty.**

All non-handicap golfers wishing to play in club events will be allocated a handicap at the discretion of the match committee. The maximum handicap to be allocated under this situation will be 18 for men and 27 for women.

MATCH PLAY - Singles and Four ball Matches - The Player with the lowest handicap will play off scratch. Match play events must be played ON the date set down. This rule may be waived in exceptional circumstances and then only after application to the match committee. Finals MUST be played on the date set down.
